

Privacy Policy/End-User License Agreement

The purpose of this document is to inform PLUG.ME.IN users of our policies pertaining to the collection, use, and disclosure of personal Information. If you choose to utilize this application, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for supporting this platform as a service and improving upon the app. We will not use or share your information with anyone except as described in this Privacy Policy above, below, or to cooperate with law enforcement agencies if necessary.

Information Collection and Use

For a better experience while using PLUG.ME.IN, we may require you to provide us with certain personally identifiable information, including but not limited to your Name, Email, Photo(s), Date of Birth, and Gender. The information that we request will be retained by us only for the amount of time necessary to provide a high quality user experience, and used as described in this privacy policy.

Log Data

We want to inform you that whenever you use our service, in case of an error in the app we collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our service, the time and date of your use of the service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This service does not use these “cookies” explicitly. However, the app may use third party code and libraries that use “cookies” to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to utilize some portions of this app.

Service Providers

We may employ third-party companies and/or individuals due to the following reasons:

- To facilitate our service;
- To provide the service on our behalf;
- To enhance our service and user experience

- To perform service-related maintenance; or
- To assist us in analyzing how our service is used.

We want to inform users of this app that these third parties may have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us your Personal Information, thus we are always striving to utilize industry standard Data Protection Safeguards as a means of protecting it. Nevertheless, as a disclaimer; no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security. We will however try our very best and always make protecting your Personally Identifiable Information one of our top priorities.

Links to Other Sites

This service may contain links to other sites. If you click on a third-party link, you will be directed to that site. As such, we strongly advise you to review the Privacy Policy of these other websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services except for our own.

Children's Privacy

These services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to take necessary action.

General Data Protection Regulation

PLUG.ME.IN is committed toward being GDPR compliant, we promise to practice transparency with our users, and in the case of any breaches; we promise to immediately be forthright with all pertinent information involving the situation. As our users, the protection of your private data is of the utmost importance to us. We take pride in providing our users with the ability to "opt-in" or "opt-out" as it pertains to the app utilizing certain functions and/or features of their mobile device. We have also provided a way for our users to contact us in case of an issue. OneFourAll Concepts, LLC. will always ask for the consent first of our users if ever the rare need arises to utilize their personal data outside the scope of which it was initially intended. As it pertains to the aforementioned purpose for users under the age of sixteen, we will ask for the consent of the parent or legal guardian. In short, the lawful, fair, and transparent nature of the GDPR as it pertains to our users - serves as our continual work in progress. From performing

Data Protection Impact Assessments when needed, to our users having more control over their privacy and personal information, the PLUG.ME.IN app will strive to operate in accordance.
